Kick off of the 2010 school year!

We kicked off our athletic season last week with the start of our Flag Football and Volleyball seasons. It was a great start to the school year with activities in Houston, Dallas, and San Antonio. A special thanks to all coaches and staff for making the first week a great success. We would also like to express how excited we are to have a San Antonio region join the league! We are looking forward to future weeks of the season and are encouraged by the great display of sportsmanship and teamwork that we have witnessed this past week. We want to wish all of the teams the best of luck as they prepare for the rest of the season!

TCSAAL is proud to now be serving the San Antonio area!!!

This past Friday marked the start of Texas Charter School statewide sports in San Antonio with the kick-off of the volleyball season. TCSAAL staff along with fans from participating schools gathered in a packed gym to watch some great volleyball performances from our San Antonio schools. We look forward to seeing these schools blossom in the league and are eager to have the top San Antonio teams join the top teams from around the state at the playoffs this fall as schools participate to become Charter School State Champions! We are actively taking signups for basketball as well as all other upcoming activities in the San Antonio area. If your school is interested in participating in any upcoming activities please contact us.

Quote of the Week

Champions aren't made in the gyms. Champions are made from something they have deep inside them -- a desire, a dream, a vision.
-Muhammad Ali

New Activities being offered!

New ways to show your support and spirit!

This year we are launching two new initiatives. We will be selling shirts for specific activities such as basketball, volleyball and more. The shirts will include a list of all participating schools on the back, more information to come.

We will also be reaching out to coaches, administrator's, students, faculty, staff, parents, community members and everybody else to help support the league by registering to become a "*Friends of the League*" member. The cost is only \$10 a person per year. There are many benefits of being a friend of the league. As a friend of the league you will receive a sports water bottle with the TCSAAL logo on it, you will also receive recognition of your support on our website and newsletter. In addition we will put you on our mailing list so you can stay up to date with all things related to the league including standings, upcoming game information and game results. Finally the school that has the most affiliated people become members of the "Friends of the league" campaign will be rewarded. TCSAAL will credit the school \$10 for every "*Friends of the League*" member up to \$500 towards next year's annual base fee for that school. For example if your school has the most affiliated people become "*Friends of the League*" and your member count is 49 members at \$10 a member then TCSAAL will credit your school \$490 towards next year's \$500 annual base fee.
