What is the “*Friends of the League*” Campaign?

The “*Friends of the League*” campaign is an opportunity for people to show their support to both the Texas Charter School Academic & Athletic League as well as to their school. We will be reaching out to coaches, administrator’s, students, faculty, staff, parents, community members and everybody else to help support the league by registering to become a “*Friends of the League*” member. The cost is only \$10 a person per year. There are many benefits of being a friend of the league. As a friend of the league you will receive a sports water bottle with the TCSAAL logo on it, you will also receive recognition of your support on our website and newsletter. In addition we will put you on our mailing list so you can stay up to date with all things related to the league including standings, upcoming game information and game results. **Finally the school that has the most affiliated people become members of the “Friends of the league” campaign will be rewarded. TCSAAL will credit the school \$10 for every “Friends of the League” member up to \$500 towards next year’s annual base fee for that school.** For example if your school has the most affiliated people become “*Friends of the League*” and your member count is 49 members at \$10 a member then TCSAAL will credit your school \$490 towards next year’s \$500 annual base fee.

The “*Friends of the League*” campaign will go on throughout the entire 2010-2011 school year!
