Quote of the Week

"Volleyball is one of the most interactive games going. It is a game of intuition, imagination, improvisation – but most of all, of reciprocity – of teamwork. There is no way to free-lance in volleyball."

What is the “*Friends of the League*” Campaign?

The “*Friends of the League*” campaign is an opportunity for people to show their support to both the Texas Charter School Academic & Athletic League as well as to their school. We will be reaching out to coaches, administrator’s, students, faculty, staff, parents, community members and everybody else to help support the league by registering to become a “*Friends of the League*” member. The cost is only \$10 a person per year. There are many benefits of being a friend of the league. As a friend of the league you will receive a sports water bottle with the TCSAAL logo on it, you will also receive recognition of your support on our website and newsletter. In addition we will put you on our mailing list so you can stay up to date with all things related to the league including standings, upcoming game information and game results. **Finally the school that has the most affiliated people become members of the “Friends of the league” campaign will be rewarded. TCSAAL will credit the school \$10 for every “Friends of the League” member up to \$500 towards next year’s annual base fee for that school.** For example if your school has the most affiliated people become “*Friends of the League*” and your member count is 49 members at \$10 a member then TCSAAL will credit your school \$490 towards next year’s \$500 annual base fee.

The “*Friends of the League*” campaign will go on throughout the entire 2010-2011 school year!

2010 TCSAAL Flag Football & Volleyball Playoff Scenarios:

Flag Football

Dallas High School

****3 teams advance to the playoffs due to the fact that there are 7-9 teams in the division.***

- Hampton Preparatory is the current #1 seed, having already clinched a playoff berth, and will finish no lower than the #2 seed.
- Fort Worth Can is the current #2 seed, having already clinched a playoff berth, and will finish no lower than the #2 seed.
- A win by Hampton in their final game secures the #1 seed. In the event that Hampton Preparatory loses and Fort Worth Can Academy wins their final game, then Hampton Preparatory will finish as the #2 seed, while Fort Worth Can Academy will usurp the #1 seed.
- A win by Fort Worth Can Academy in their final game, combined with a loss by Hampton Preparatory in their final game, will enable Fort Worth Can Academy to usurp the #1 seed, while Hampton Preparatory would default to the #2 seed.
- Peak Preparatory is currently ranked 3rd in the division. If Peak Preparatory wins either of their two (2) remaining games, then they will secure the #3 seed.
- In the event that Peak Preparatory loses both of their two (2) final games, **and:**
 - Landmark Academy wins their final game, Landmark Academy will clinch the #3 seed and advance to the playoffs.
 - Landmark Academy loses their final game and Summit International wins their final game, Summit International will clinch the #3 seed and advance to the playoffs.
 - Both Landmark Academy and Summit International lose their final game, Peak Preparatory will clinch the #3 seed and advance to the playoffs.
- All other Dallas high school teams have been eliminated from the playoffs.

Dallas 6th – 8th Grade Division 1

****2 teams advance to the playoffs due the fact that there are 4-6 teams in the division.***

- St. Anthony has already clinched the #1 seed for the division.
- Peak Preparatory is the current #2 seed in the division. If Peak Preparatory wins their final game, they will clinch the #2 seed and consequent playoff berth.
- If Peak Preparatory loses their final game and Trinity wins their final game, since the two teams would be evenly ranked based on season head-to-head results, the two (2) teams, Peak Preparatory and Trinity, will compete in a playoff game, with the winner of that game clinching the #2 seed and advancing to the playoffs.
 - The tie-breaker game will take place on Saturday 10/23 at 2:00 pm
- All other Dallas middle school division 1 teams have been eliminated from the playoffs.

Dallas 6th – 8th Grade Division 2

****2 teams advance to the playoffs due to the fact that there are 4-6 teams in the division.***

- Kipp is the current #1 seed, having already clinched a playoff berth, and will finish no lower than the #2 seed.
- Pegasus is currently the #2 seed for the division.
- If Kipp beats Pegasus on Saturday (10/23) then they will finish as the #1 seed.
- If Pegasus beats Kipp on Saturday (10/23), they will clinch a playoff berth and will finish no lower than the #2 seed.
- If Pegasus beats School of Liberal Arts & Sciences on Saturday (10/23), they will clinch a playoff berth and will finish no lower than the #2 seed.
- If Pegasus beats Kipp on Saturday (10/23) **and** wins their other game versus School of Liberal Arts & Sciences on Saturday (10/23) as well if Kipp loses both of their remaining games, they will usurp the #1 seed, with Kipp defaulting to the #2 seed.
- If School of Liberal Arts & Sciences beats Pegasus on Saturday (10/23) and Pegasus loses to Kipp on Saturday (10/23), School of Liberal Arts & Sciences will force a playoff tiebreaker for advancement.
 - If this tiebreaker is necessary, it will be played Saturday (10/23) @ 3:00 p.m.
- All other Dallas middle school division 2 teams have been eliminated from the playoffs.

Houston 6th – 8th Grade:

****3 teams advance to the playoffs due the fact that there are 7-9 teams in the division.***

- Wallipp has already clinched the #1 seed and accompanying playoff berth.
- Northwest Preparatory is the current #2 seed, and will clinch a playoff berth with a win this Saturday (10/23), ensuring that their team finishes no lower than the #3 seed. A loss this Saturday (10/23), however, accompanied with a SER-Nino's win on Saturday (10/23), will eliminate Northwest Preparatory from the playoffs.
- Texas Serenity Now is the current #3 seed, having already clinched a playoff berth, and will finish no lower than the #3 seed.
- If Texas Serenity Now beats Northwest Preparatory this Saturday (10/23), Texas Serenity Now will clinch the #2 seed and a playoff berth.
- SER-Nino's has to have a win on Saturday (10/23) and a loss from Northwest Preparatory, SER-Nino's will usurp the #3 seed and clinch the accompanying playoff berth.
- All other teams in the division have been eliminated from the playoffs.

Houston High School:

****3 teams advance to the playoffs due the fact that there are 7-9 teams in the division.***

- Vision Academy is the current #1 seed, having already clinched a playoff berth, and will finish no lower than the #2 seed.
- Tekoa is the current #2 seed, having already clinched a playoff berth, and will finish no lower than the #2 seed.
- If Tekoa wins their final game on Saturday (10/23):
 - Tekoa and Vision Academy will be tied for the #1 seed. Since the tie does not have advancement implications, a coin will be flipped to determine playoff seeding.
- Central STEM and Houston Gateway Academy are currently tied for the #3 seed:
 - A win from both teams this Saturday (10/23) would force a playoff tiebreaker game.
 - A loss from both teams this Saturday (10/23) would force a playoff tiebreaker game.

- Should either team win and the other lose, the winning team would clinch the #3 seed and accompanying playoff berth.
