## **Celebrating the Kickoff of Our 5<sup>th</sup> Year Serving Texas' Charter Schools!**

We are very excited for the beginning of our 5<sup>th</sup> year serving Texas' Charter Schools. The year begins this week with the start of our volleyball season and next week with the start of our football season!

In our 5 years serving Texas' Charter schools, we have grown from a small company serving 17 schools in our first year, to now serving right at 100 charter schools throughout the state making us the 3<sup>rd</sup> largest school league in the state of Texas only behind UIL and TAPPS.

With the help of a committed staff and the understanding and support of our participating schools, TCSAAL has grown and developed over the past 4 years to become an organization that provides a service that we are very proud to offer to the charter school students of Texas. With the help of our member schools, TCSAAL has grown to become a very recognized symbol in the charter school community.

I want to personally thank all of the schools that have worked with us in the past and let you know that we are looking forward to our best year yet.

I look forward to another great year of safe and fun competitions.

Thank you,  
John Bucy  
Founder/Director  
TCSAAL
