St. Anthony School 6th – 8th Grade Girls Champions

St. Anthony School 6th – 8th Grade Boys Champions

Harmony School of Advancement High School Girls Champions

Girls & Boys Preparatory High School Boys Champions

STATE BASKETBALL RESULTS

On February 4th we had our 5th annual state basketball playoffs. The 4 regional champions throughout the state in 6th – 8th grade girls and boys, as well as high school girls and boys, advanced to the state playoffs in Austin, Texas, which were hosted at St. Edward's University. The 16 teams that descended on the Capitol did not disappoint, giving us some spectacular basketball. We had numerous games advance into overtime including a historic and epic triple-overtime game in our high school girls' championship game between IDEA Donna and Harmony School of Advancement. These two teams provided us with one of the greatest games in our 5-year history and although in the end only one team (Harmony School of Advancement) was able to win the championship, we want to congratulate both teams on their championship performances.

Our middle school boys and girls champions pulled off a feat rarely seen in sports with St. Anthony School winning their 5th straight State Championships in as many years in both the boys and girls 6th – 8th grade categories. What a great accomplishment and we look forward to seeing if the streak will continue, or if a new school will take the crown next year. It should be noted that Harmony School of Excellence, in both the boys and girls championship games, came up just short and we know they will be preparing for another run for the championship next year.

And finally in our high school boy's championship game, we had a great match-up between our previous 2 state runner-up teams with Girls & Boys Preparatory Academy taking on Fort Worth Can Academy. Girls & Boys Preparatory Academy jumped out to a quick lead, but Fort Worth CAN worked hard to get back in the game making it a 4-point game early in the third quarter. By the start of the 4th Quarter, however, Girls and Boys had pulled away again to claim their place in TCSAAL Basketball history with their first State Championship! TCSAAL would like to congratulate them on their perfect season! We would also like to tip our hats to Fort Worth CAN for their second consecutive State Runner-Up award, and we wish them continued success as they work to claim the championship next year.

TCSAAL would like to send a big congratulation to all of our playoff teams and all of our participating basketball teams for a great season!

State Final four teams

TCSAAL STATE CHESS AND SPELLING BEE COMPETITIONS

This past Saturday, TCSAAL hosted its State Chess and Spelling Bee competitions at the State Capitol. TCSAAL would like to congratulate all state finalists and thank all the participants for helping us have a great competition! We would like to send a special congratulations to our champions. Michelle Bello of Girls & Boys Preparatory, whom won the Spelling Bee, Harmony School of Innovation Houston, who won the 6th – 8th Grade Chess Competition, and our High School Chess Champions E-Stem Central Campus who completed their three-peat by winning their third consecutive state championship.

4TH – 6TH GRADE STATE BASKETBALL CHAMPIONS

This year saw a first for TCSAAL with the addition of the 4th – 6th grade basketball league. In our first year, both the boys and girls of A.W. Brown Fellowship Academy took home the first ever 4th - 6th grade Basketball State Championships. TCSAAL would like to congratulate them both on a fantastic season!
