PREPARING FOR MATH OLYMPIAD

The 3rd season of the Math Olympiad competitions begin this week with the North Texas Regional on Wednesday and the East Texas Regional on Friday. The Central Texas Regional will take place next week on Wednesday. Teams are made up of groups of 5 students whom each participate in three rounds. The top 4 teams combined scores from the three rounds advance to the State finals in Austin, Texas at the State Capitol. The contest is made up of age appropriate TAKS content and is organized in a way that has teams competing against one another in a game show type format, providing the kids a fun way to learn their TAKS content. It's not too late to get your school involved. If you would like to participate in wither are north Texas, East Texas or Central Texas Regional please contact us ASAP!

If you would like to be added to our email list to receive the weekly sports page please email us at texascharter@gmail.com and request to be added to the email list.

Quote of the Week

Once you're beat mentally, you might as well not even go to the starting line.

- Todd Williams

ACADEMIC CORNER

Don't miss out... Register your school today for the math Olympiad competitions! TCSAAL hosts Math Olympiad Regionals all over the state. The Math Olympiad competition is designed from TAKS age appropriate content. Teams that advance to the state competition will have the experience of competing at the State Capitol!

11/30/11: North TX Regional
12/02/11: East TX Regional
12/07/11: Central TX Regional
12/10/11: State (at the Texas Capitol)

Arts and Academics after winter break!

Don't Miss out on the **Science Olympiad**, **Drama Competitions** and **Choir Competitions**. All three are in January. To participate please contact us ASAP!
