## We Want To Hear From You

Dear Texas Charter School Academic & Athletic League members, we want to hear from you. We are asking for our member schools to share with us any success stories they have encountered over the past 2 years because of your schools involvement in TCSAAL academics and athletics. Please send any stories you may have about an individual a team or your school in general. I hear from coaches and principals all the time about how they had a student that was going to drop out or fail their classes. But because of their involvement on the school sports team and the school's participation with TCSAAL that student has found the incentive he/she needed to persevere in their academics. We will share some of your success stories in upcoming newsletters.

Thank you for your support,  
John Bucy
