## Highlighting Last Years Winners

Over the course of the next few weeks, we will be highlighting last year's winners in each event

### Winner of 2007 - 2008 Coed Soccer

### High School State Champions

## School of Liberal Arts & Science

School of Liberal Arts & Science is located in Dallas, TX. Their philosophy is that "every child can learn" given appropriate learning tools and taught in a variety of methods that match the student's learning style. The primary purpose of the School of Liberal Arts and Science is to provide children with equal-opportunity education, where there exists a program of study for a wide variety of student interests, skills, and aptitudes in such a way that students will have a positive influence on their families, school and community. Their motto, "excellence is a habit" is a clear indication of their achievements on and off the field. Congratulations to your school and your soccer team for winning the state championship last year!
